**FROM:**

**HANNAH NOLEN, AICP**

Transportation Planning Services

**AND**

**BART VLEUGELS**  
Active Transportation Coordinator  
Oklahoma Department of Transportation

**INFORMATION:**

The Oklahoma Department of Transportation (ODOT) has recently completed Oklahoma's first Active Transportation Plan. The plan looks at the needs of Oklahomans who walk, bike, use wheelchairs and mobility devices, and more.

The plan focuses on how active transportation can be improved through better policies, planning, design, and partnerships with other state agencies and local communities. Whether Oklahomans use active transportation regularly, rarely, or somewhere in between, public input and ideas are critical to developing the plan.

For more information about the Active Transportation Plan, visit [www.okatp.org](http://www.okatp.org).

At the February meeting, Bart Vleugels will present the plan and its findings.

### **SUBJECT:**

**REGIONAL SAFETY ACTION PLAN (RSAP) UPDATE**

### **DATE:**

FEBRUARY 7, 2024

### **FROM:**

**HANNAH NOLEN, AICP**

Mobility & Planning Manager  
Transportation Planning Services

### **INFORMATION:**

On January 31, 2023, ACOG was awarded a \$192,000 Safe Streets and Roads for All (SS4A) federal grant to develop a safety action plan. A Regional Safety Action Plan (RSAP) is a vital endeavor for Central Oklahoma. By establishing a framework, identifying priority areas, and implementing evidence-based strategies, ACOG aims to reduce crashes, injuries, and fatalities, ultimately ensuring the safety and well-being of the region.

ACOG has put together an RSAP Planning Team to help guide the planning process. The Planning Team is comprised of important stakeholders from jurisdictions throughout the region who will share thoughts and suggestions to develop the plan, brainstorm and review key components of the RSAP, support and implement actions in the RSAP, and help spread the word about the RSAP. The first meeting was held on January 8, 2024, and five additional meetings will be held throughout 2024.

A Regional Safety Summit will take place on February 28, 2024, to engage community executive leadership, elected officials, and existing and potential participants at all levels. The event will be held at the Ronald J. Norick Downtown Library, (300 Park Avenue, Oklahoma City, OK) from 9:30 a.m. to 2:30 p.m. More information will be available in the coming weeks.

ACOG is working with consultant Kimley-Horn on this project. They are developing a robust public engagement plan for the RSAP and will involve a project-specific website, community pop-up events, online surveys, and public workshops. The final plan is expected to be adopted by the ACOG Board in November 2024.

Please reach out to Hannah Nolen at [hnolen@acogok.org](mailto:hnolen@acogok.org) if you have questions or would like more information.

TRANSPORTATION ALTERNATIVES (TA) PROGRAM**

### **DATE:**

FEBRUARY 7, 2024

### **FROM:**

Transportation Planning Services

### **INFORMATION:**

Oklahoma Department of Transportation (ODOT) is holding a Call for Projects for their Transportation Alternatives (TA) grant program that started on January 30 and goes through May 31, 2024. This grant provides funding for a variety of transportation projects that support additional transportation options, strengthen local economies, improve quality of life, protect the natural environment, and enhance transportation infrastructure.

Eligible projects include pedestrian and bicycle facilities; recreational trails; construction of turnouts, overlooks, and viewing areas; community improvements such as historic preservation and vegetation management; environmental mitigation related to stormwater and habitat connectivity; safe routes to school projects; and vulnerable road user safety assessments.

Statewide, \$34 million is available, which will cover 80 percent of project construction costs with a 20 percent local match. For communities under 5,000 in population, only a 10 percent match is required.

For more information, please visit: <https://oklahoma.gov/odot/programs-and-projects0/local-government/transportation-alternatives-program-tap.html> or contact Matt VanAuken, TA Program Manager and ACOG/INCOG TAP Project Manager, at [mvanauken@odot.org](mailto:mvanauken@odot.org) or (405) 436-3734.

Please note, ACOG will be opening a TAP Call for Projects in the fall of 2024. This will be available to all communities inside the [Adjusted Urbanized Area \(UZA\)](#). Additional information on this program will be provided in the coming months.
