MINUTES

A. CALL TO ORDER

Chairperson John M. Sharp called the meeting to order at 10:06 a.m. He introduced himself and entertained introductions of members, staff, and guests. There was a quorum.

B. APPROVAL OF THE JUNE 13, 2024 MINUTES

Brandon Bundy moved to approve the June 13, 2024 minutes. Nicole Morton seconded the motion. The motion carried unanimously.

C. ACTION ITEMS

1. Amendments to the FFY 2024-2027 Transportation Improvement Program (TIP)

Jennifer Sebesta said there were two FFY 2024-2027 TIP amendment requests, one from the City of Norman and one from COTPA, to update their FFY 2024 Transit Elements. She said staff from those entities were here today if anyone had questions.

There being no discussion, Justin Henry moved to recommend that the ACOG MPO Policy Committee amend the FFY 2024-2027 Transportation Improvement Program by updating the City of Norman FFY 2024 Transit Element with their attached program of projects, updating the COTPA FFY 2024 Transit Element with their attached program of projects, and submitting the same to the Oklahoma Department of Transportation (ODOT) for amendment of the Statewide Transportation Improvement Program. Nicole Morton seconded the motion. The motion carried unanimously.

2. Modifications to the Town of Jones Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) Project

John Sharp highlighted the information as detailed in the agenda memorandum. The Town of Jones provided a letter of request concerning the CRRSAA funding. He said ACOG staff was recommending that the CRRSAA project move forward by transferring the project from Hiwassee Rd. in the Town of Jones to Britton Rd. in the City of Oklahoma City. Oklahoma City has offered to do the engineering and management of the project.

Brandon Bundy moved to recommend that the ACOG MPO Policy Committee approve the transfer of the Town of Jones CRRSAA project from Hiwassee Rd. to Britton Rd. in Oklahoma City. Joyce Green seconded the motion. The motion carried unanimously.

D. ITEMS FOR INFORMATION ONLY:

1. Reminder: Surface Transportation Block Grant - Urbanized Area (STBG - UZA) - Call for Projects

Jennifer Sebesta highlighted the information as detailed in the agenda memorandum regarding what communities needed to do to apply to the STBG-UZA program, noting that the submission deadline was September 3 at 4 p.m.

2. Reminder: FY 2025 Transportation Alternatives Program (TAP) Call for Projects

Hannah Nolen highlighted the information as detailed in the agenda memorandum regarding what communities needed to do to apply for their TAP projects, noting that the submission deadline was September 3 at 4 p.m. She said at the last call, there was \$7.5 million and ACOG funded 9 projects. This time there is \$10.4 million available, which represents three years of funding. John Sharp mentioned that if their project goes across a railroad track, they will need to add to the cost estimate and timeline. Matt VanAuken said if they contact ODOT Local Governments, ODOT staff will talk to the ODOT Rail Division to see if they can get a realistic estimate.

3. Grant Opportunities

Hannah Nolen said this is the standard memorandum regarding grant opportunities, noting that there is one new grant which she placed at the top of the list. She said to reach out to Eric Pollard or David Frick regarding this Inflation Reduction Act Community Change Grants Program. Mr. Sharp said this grant could help with areas of

flooding to prepare and modify landscaping in certain areas where the roads have flooding problems. Ms. Nolen added that if the committee members know of other grant opportunities, to please share with ACOG, so it can be included in this memo for future agendas.

4. Schedule for Preparation of the New FFY 2026-2029 ACOG MPO Area Transportation Improvement Program

Jennifer Sebesta said ACOG will be developing a new TIP this fall and into the spring, with approval in the middle of next year. The schedule and deadlines for TIP items are available in the agenda.

5. Projects in the ACOG MPO Transportation Management Area (TMA)

John Sharp said ODOT Local Government staff is here today if anyone has concerns or questions about any of their projects moving in their community.

E. NEW BUSINESS

Employee Leaving ACOG

Mr. Sharp said Hannah Nolen has accepted a position at the City of Edmond, so she will be leaving ACOG at the end of this month. He thanked her for all her work at ACOG and wished her the best of luck.

How to Handle New Grants in the TIP

Sasha McCrone asked, if they get a new grant this year, does it automatically go into the TIP, or must it still be submitted. Ms. Sebesta said it depends on the grant. Grants can be added during the TIP development process, or the TIP can be amended later, although some grants can be handled administratively. She said to please reach out to her if your community receives a federal grant and needs it added to the TIP.

Regional Transit Authority (RTA) Future Investments

Mr. Sharp said there have been discussions with RTA about future investments. They are considering having a vote next spring - an Edmond, Oklahoma City, Norman vote - to access sales tax in order to pay for the commuter rail from Edmond to Norman. At some point that may go into the TIP and Encompass 2050 Plan. It has been in the Encompass 2045 Plan as a possible future project, but until there is a funding number attached to it, ACOG will just add in some narrative to the TIP.

F. ADJOURN

There being no further new business, Mr. Sharp adjourned the meeting at 10:20 a.m.

SUBJECT:
REGIONAL SAFETY ACTION PLAN UPDATE

DATE:
SEPTEMBER 12, 2024

FROM:
JOHN SHARP
Deputy Director

INFORMATION:

In 2023, ACOG was awarded a \$192,000 Safe Streets and Roads for All (SS4A) federal grant to develop a safety action plan. A Regional Safety Action Plan (RSAP) is a vital endeavor for Central Oklahoma. By establishing a framework, identifying priority areas, and implementing evidence-based strategies, ACOG aims to reduce crashes, injuries, and fatalities, ultimately ensuring the safety and well-being of our community. Ultimately, ACOG is working towards a regional goal of Vision Zero.

Consultants Kimley-Horn and the Gooden Group, along with ACOG staff, hosted the Regional Safety Summit in February to engage executive leadership, elected officials, and existing and potential participants at all levels. Since then, there have been a number of public interaction workshops and public meetings to gather feedback from residents in the region. An interactive regional map was hosted on ACOG's Safety website to allow the public to mark where they see safety issues. They could also provide detailed comments concerning the types of problems they are experiencing.

ACOG has put together an RSAP Planning Team to help guide the planning process and they have met four times. Over the last couple of months, Kimley-Horn has developed the High Injury Network (HIN) for the region using crashes from 2017-2021. This crash data was from the Oklahoma Highway Safety Office (OHSO). The HIN was developed from the severity of the crashes - fatality, incapacitating injury, and non-incapacitating injury. These crashes were aggregated by crash severity on the regional road network. Then a list of the highest score HIN corridors was provided to the RSAP Planning Team for them to choose eight corridors in which to do a deep dive. The consultant and ACOG staff then met with each community that had one of these eight HIN corridors to discuss possible solutions. A presentation on this process will be made at the September meeting.

A draft document will be presented to this committee this fall.

SUBJECT:
NATIONAL DRIVE ELECTRIC WEEK

DATE:
SEPTEMBER 12, 2024

FROM:
JOHN SHARP
Deputy Director

INFORMATION:

ACOG is partnering with OG&E to host a National Drive Electric Week event at OG&E Night Sprints during the Oklahoma Regatta Festival.

OG&E Night Sprints will be held at the River Sport complex on Friday, October 4, from 5:00 p.m.-10:00 p.m. During this event, OG&E will bring EV trucks, charging stations, and information on electric vehicles. ACOG will have a booth and provide resources to the public about the benefits of electric vehicles.

National Drive Electric Week, September 27-October 6, is a nationwide celebration to raise awareness of the many benefits of all-electric cars, trucks, motorcycles, and more. ACOG has been participating and hosting National Drive Electric Week events annually for nearly a decade.

More electric vehicles on the road in Central Oklahoma means more dollars spent on electricity to fuel vehicles. This keeps dollars in the local economy, strengthens our energy independence, and helps improve air quality. EVs are also critical in regional efforts to improve overall vehicle efficiency and reduction of emissions that create ozone pollution.

SUBJECT:
PEDESTRIAN SAFETY AWARENESS MONTH

DATE:
SEPTEMBER 12, 2024

FROM:
JOSE JIMENEZ
Transportation Planner I – Safety
Transportation Planning Services

INFORMATION:
October is designated as National Pedestrian Safety Awareness Month by the National Highway Traffic Safety Administration (NHTSA) and the Federal Highway Administration (FHWA). ACOG is planning a series of events and messaging campaigns to help raise awareness in Central Oklahoma from the month of October through November 18.

Pedestrian Safety Month kicks off with Walk or Roll to School Day which is held nationwide on October 9. Schools in the ACOG region are invited to participate on the day that suits their school best.

Additionally, staff will attend several community events and trunk or treats to share Watch for Me OK material. ACOG is currently working on the Regional Safety Action Plan and several events are planned in October to highlight this plan. More safety tips and information will be shared at these events.

After the success of last year's screening of the Street Project, Watch for Me OK is planning to screen the documentary, **3 Seconds Behind the Wheel**, on October 28 at 6 p.m. at the Ronald Norick Downtown Library in Oklahoma City.

More information on these events and more will be available in the coming weeks. Local communities, schools, and other organizations interested in taking part or hosting an event are encouraged to contact Jose Jimenez at jjimenez@acogok.org.

QUARTERLY TRANSIT COORDINATION MEETING UPDATE

DATE:

SEPTEMBER 12, 2024

FROM:

JOHN SHARP
Deputy Director

INFORMATION:

Transit agencies and sub-recipients of transit funding in Central Oklahoma meet on a quarterly basis throughout the region to stay up to date on new services, changes, and issues in both the current and the upcoming quarter. Representatives from ACOG, City of Edmond, City of Moore, City of Norman, COTPA, ODOT, and the Oklahoma City Planning Department participated in a meeting hosted by the City of COTPA on Wednesday, September 4, 2024.

The next Quarterly Transit Coordination meeting is scheduled for Wednesday, December 4, 2024, at 2 p.m. to be hosted by Citylink.

SUBJECT:

REVIEW OF REGIONAL SNOW ROUTES FOR 2024-2025

DATE:

SEPTEMBER 12, 2024

FROM:

JENNIFER SEBESTA

Transportation Planning Services (TPS) Division Manager

INFORMATION:

In August 2007, the Regional Snow Routes Committee was formed to assist in the interjurisdictional coordination of snow and ice management activities throughout the ACOG MPO area. The committee was tasked to develop a regional map that highlights the best route choices for motorists during winter storm events. As a result, a network of regional snow routes was established, and the related regional map was made available to the public via websites and press releases. This system of regional snow routes assists in providing better service and increased safety for all travelers within the region, including emergency vehicles, school buses, public transportation, and commercial vehicle traffic.

Since the 2023-2024 winter season, some snow route changes may have occurred at the local level. As the 2024-2025 winter season approaches, ACOG MPO member entities are asked to review the current regional snow routes and determine if additional changes or updates are needed.

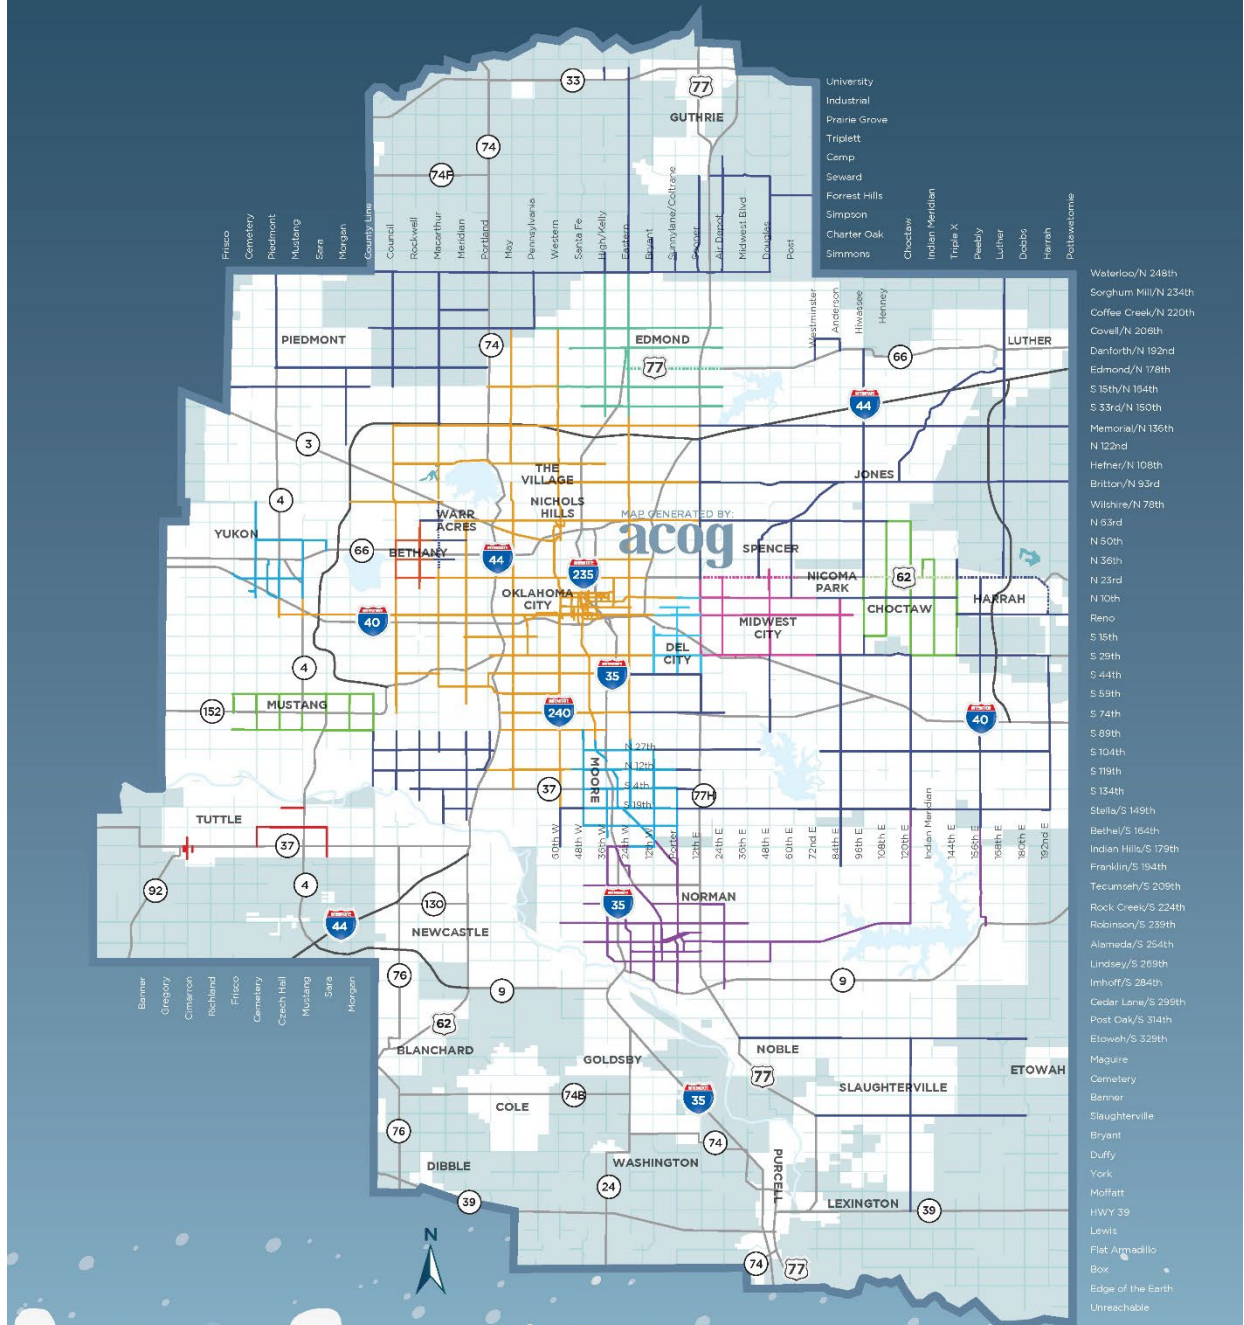

It is critical that the regional snow routes map accurately reflects local snow route plans to ensure consistent public information. If any changes are necessary, please submit your suggestions by email to jsebesta@acogok.org by Friday, September 27, 2024. Should significant regional gaps arise due to the requested changes, the Regional Snow Routes Committee may be convened to resolve emerging issues.

A map of the most up-to-date regional snow routes is attached to this agenda memo or [click at this link](#). More detailed maps showing each jurisdiction's responsibility can be made available upon request.

PROJECTS IN THE ACOG MPO TRANSPORTATION MANAGEMENT AREA (TMA)

DATE:

SEPTEMBER 12, 2024

FROM:

JOHN SHARP
Deputy Director

INFORMATION:

Updated information on the status of projects, as provided by the ODOT Local Government Division, can be seen at the following links:

- [All programmed ACOG MPO area Surface Transportation Block Grant - Urbanized Area \(STBG-UZA\) projects](#)
- [Transportation Alternatives Program \(TAP\) projects](#)
- [Coronavirus Response and Relief Supplemental Appropriations Act \(CRRSAA\) projects](#)

Regarding the colors shown in the tables: generally, green means that the project is on schedule, yellow means the project is progressing slowly, and red means that the project did not meet an intermediate date.

Following the ACOG MPO Technical Committee meeting in the Oklahoma Board Room, there will be a discussion of the STBG-UZA, TAP, and CRRSAA projects with ODOT Local Government staff, who will provide a quarterly update.

All project sponsors are required to attend.
