MINUTES

A. CALL TO ORDER

Presiding Chair Glenn Berglan called the meeting to order at 1:25 p.m. A quorum was present. He welcomed all in attendance.

B. APPROVAL OF THE FEBRUARY 27, 2025, MINUTES

Mayor Terry Arps moved to approve the February 27, 2025, minutes. Mayor Steven Gentling seconded the motion. The motion carried unanimously.

C. CONSENT DOCKET: *For information only.*

1. Quarterly Transit Coordination Meeting Update: Ethan Mazzio, Transportation Planning Services (TPS) Transportation Planner II - Mobility
2. 2025 Bike Month: Ethan Mazzio, TPS Transportation Planner II - Mobility
3. Grant Opportunities: Ethan Mazzio, TPS Transportation Planner II - Mobility
4. Projects in the ACOG MPO Transportation Management Area (TMA): John Sharp, Deputy Director

Mayor David Bennett moved to approve that all items under the Consent Docket be considered in one vote. Councilmember Shelli Selby seconded the motion. The motion carried unanimously.

D. REGULAR AGENDA ITEMS THAT MAY REQUIRE ACOG MPO POLICY COMMITTEE ACTION

1. 2025 Congestion Management Process: John Sharp, Deputy Director

John Sharp said ACOG signed a contract with Olsson Associates to work on the 2025 Congestion Management Process (CMP). A staff kickoff was held in February and on March 13, a stakeholder's project initiation meeting was hosted at ACOG.

Mr. Sharp gave a presentation that can be viewed here: <https://www.acogok.org/wp-content/uploads/2025/04/CMP-PPT-Presentation-Kickoff-Board.pdf>.

2. Transportation News and Update Report: John Sharp, Deputy Director

MPO Coordination

In March, a quarterly meeting was held to discuss common issues for the Metropolitan Planning Organization (MPOs), Oklahoma Department of Transportation (ODOT), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA) staff. There are some retirements at the FHWA Oklahoma City office, and we learned of our new MPO contract at the meeting. ODOT and its consultants are currently working on the statewide 2050 Long Range Transportation Plan (LRTP). There will be a public meeting on April 29, at the ODOT Training Center located at N 122nd St. and I-35.

Aerial Photography

The aerial photography for Edmond, Oklahoma City, and Norman has been flown. ACOG also purchased Cleveland County to be used as a resource for addressing. Sanborn, the contractor for the project, also offered to fly fire impacted areas for the same price per mile as we received for the projects. The Logan County Assessors are currently deciding whether they will go in this direction.

National Association of Regional Councils (NARC)

ACOG staff attended a virtual meeting hosted by NARC this month. A great deal of the discussion centered around the new administration's rules and how Metropolitan Planning Organization (MPO) may have to modify what they have been doing in the past. ACOG is still waiting for clarification on several issues.

Clean Cities Interns

Madison Martin and Kathryn Barber recently attended the first ever U.S. Department of Energy (DOE) Clean Cities & Communities Accelerate Training Workshop at Argonne National Laboratory. David Frick, ACOG Air Quality & Clean Cities Planner III, also attended.

City of Norman

With assistance from the ACOG Public Fleet Grant program, Norman recently deployed 21 hybrid electric police SUV units. We estimate that this will prevent 818 pounds of air pollution emissions annually. Idling vehicles help contribute to air pollution. If you are interested in applying for an electric vehicle, alternative fuel, or hybrid vehicle funding in the future, please reach out to David Frick from our staff.

Air Quality Monitoring

In addition to the tragic loss of life and property during the wildfires and extreme winds earlier this month, you may have noticed the impact of dust and smoke on our air quality, reaching historic hazardous levels rarely seen. This event illustrated the importance of air quality monitoring and ACOG coordination with EPA and DEQ. Pollution levels those days will almost certainly be considered an extraordinary event that will not be included in future attainment designations. Kudos to ACOG Public Information Director (PID) Rachel Meinke and our Department of Environmental Quality (DEQ) partners for getting the word out via social media to protect public health.

E. NEW BUSINESS

None

F. ADJOURN

There being no further business, Presiding Chair Glenn Berglan adjourned the meeting at 1:50 p.m.

FUNCTIONAL CLASSIFICATION REVISIONS FOR THE ACOG AREA

DATE:

APRIL 24, 2025

FROM:

LAUREN WOOD

Transportation Planner II - Performance
Transportation Planning Services

INFORMATION:

From November to December 2024, ACOG hosted an ArcGIS online map to allow member entities to submit functional classification changes to the road network. The main reasons for requesting changes were to reflect current traffic counts, increases in traffic generators along many classified roads, and revised information for the updated ACOG MPO Boundary. ACOG received functional classification changes from the Cities of El Reno, Noble, Norman, Oklahoma City, and Yukon. These changes will now go to the Oklahoma Department of Transportation for their review.

OZONE SEASON PREVIEW

DATE:

APRIL 24, 2025

FROM:

ERIC POLLARD

Air Quality & Clean Cities Manager
Transportation Planning Services

INFORMATION:

Ozone season typically runs from April to October. During this season ACOG declares 'Ozone Alert Days' when the Oklahoma Department of Environmental Quality (ODEQ) believes ozone pollution levels will be high.

In 2024, Central Oklahoma finished the ozone season with a design value of 0.076 (a violation of EPA's 0.070 ozone standard) and is exceeding a 0.070 three-year average. If EPA enforces the current ozone standard, the Oklahoma City Metro area would be out of attainment for ozone.

In addition, EPA has tightened the PM_{2.5} standard which could impact Central Oklahoma's attainment status. However, there is active litigation challenging this tightening and the Trump administration has announced an intention to reconsider the standard.

Individuals with respiratory disease (COPD, asthma, emphysema), the elderly, and children with respiratory ailments are all at increased risk of health problems when ozone and PM_{2.5} pollution reaches unhealthy levels.

ACOG members are invited to join ACOG staff to inform Central Oklahomans of ways they can protect public health and reduce emissions on Ozone Alert Days. Members are also encouraged to collaborate with ACOG staff to identify strategies for emissions reductions in their communities.

Members can help share air quality related social media posts from ACOG accounts, especially during Air Quality Awareness Week (May 5-9).

SAFE STREETS AND ROADS FOR ALL (SS4A) FUNDING

DATE:

APRIL 24, 2025

FROM:

JOHN SHARP

Deputy Director

INFORMATION:

A new funding opportunity for Safe Streets and Roads for All (SS4A) has just begun. Grant applications are due by June 26, 2025, at 5:00 p.m. EST. There is an estimated \$982,260,000 in funding available nationwide. The funding cap is \$25,000,000.

Eligible entities include:

Native American tribal governments (Federally recognized)
County governments
Special district governments
City or township governments
Independent school districts
Public and State controlled institutions of higher education

The purpose of this notice is to solicit applications for Safe Streets and Roads for All (SS4A) grants. Funds for the fiscal year (FY) 2025 SS4A grant program are to be awarded on a competitive basis to support planning and demonstration activities, as well as projects and strategies to prevent death and serious injury on roads and streets involving all roadway users. Those that apply for an implementation grant must have an Action Plan/Resolution in place. An entity can have their own Action Plan, or a Resolution supporting ACOG's Regional Safety Action Plan.
